# TPC Reconstruction Framework using LCIO and Marlin

*Wednesday, 19 July 2006 14:55 (15 minutes)*

The result of a TPC software meeting at DESY in June is being presented. Detailed common software standards were agreed upon in order to facilitate the exchange of code and data. A MarlinTPC package will be written into a central software repository at DESY.

**Presenter:**   HANSEN, Christian (University of Victoria)

**Session Classification:**   Detector/ Tracking
